\*\*\*NEW AUTOCROSS SITE\*\*\*

We will be traveling up to the top of the hill to the Willamette Pass Ski area for our August double event. There is a huge chunk of pavement without light poles or islands, with a lot of paved parking, separate from the racing area. We know it is a bit of a drive, but it will be well worth it once you get there, and we will have at least 4 runs and possibly 5 for each driver. Some of us are staying at the Best Western in Oakridge, (Larison Rock Event Headquarters) and there are several other hotels in Oakridge as well. There is also another hotel in Crescent Junction, just a few miles east of the site. We will put some of the hotel names up on the web site. We apologize for the lateness in finding this site, but as we all know, sites are harder to find these

days, and we feel super fortunate to find one that has the amount of pavement we all crave. We have kept all the dates set at the beginning of the season. We are looking forward to seeing you there. We will do our best to have a great event.
