EESCC Meeting Minutes

November 4th, 2026
Sizzler

Attendees: 16 –Bert Jacobson, Bren and Lorin Wamsley, John Schmidt, Caleb and Ivy Tucker, Mary Richardson, Licia and Jerry Shultz, Jamie Black, Keith Olson, Paula Loftin, Tim and Peggy Steck, Bonnie Mueller and Dan Mullin.

President, Bert Jacobson, called the meeting to order at 6:37 pm.

Meeting Minutes – Peggy Steck read the October 2026 minutes. They were approved as read.

Treasurers Report –Bonnie Mueller read the treasure report from September.

Business

501(c)(3) Update –Licia – No change from last month. Licia will give a report on the status of the foundation at the banquet.

Banquet – Licia & Jamie – There are 78 people registered for the banquet. The committee met with Valerie and went over banquet items. Social hour is at 5:30 and dinner is at 6:30. Tim said the trophies are all ready to go.

2027 Schedule – Lorin – He went over the proposed dates and there was a lot of input.

Sponsors – Mary – She brought copies of the sponsorship opportunities and options available for our sponsors. She also got pricing for 6ft banners. Keith proposed that the series sponsorship be dropped to $1200 from $1300, the motion was approved.

Roadside clean up recap- Bert- There were 10 people and 28 bags of garbage. The road was pretty clean and it was a nice day. It had been mowed which does make a mess. There was lots of pizza afterwards. We will plan for April, March or May next year for the first cleanup.

MSR- Mary – others –Iit was determined that an account needed to be created for EESCC. John and Mary said they could set that up. We will still have onsite registration. Tim asked if logic and customization can be done and things like discounts for multiple events and member pricing and Mary was sure it was available. Tim said he would contact MSR support and get answers and get an account set up.

IROC car purchase - Bert – Tim B purchased a 2017 Chevy Malibu (basically for the club). It will be $1200, it's in good shape, is a V-6 automatic and will resolve problems with getting an IROC car for at least a few years. Bert had pictures for us to see. It was approved to purchase the car from Tim B. And if we don't like it, we can sell it or use it for a few years and then sell it or not.

Social Media post boosting – Mary – what she would like is a budget on a yearly basis to boot social media posts. She can determine the boosting options and make the best use of the budget. We approved $200 a year to start.

Additional Agenda Items:

Bonnie – She asked about the trailer insurance. Bert had not heard back from his insurance guy.

She asked if we owe Brad for his rental car that was used for the IROC. Bert texted him and he replied $300 for tires.

Club insurance for 2027; last year several clubs went together on event insurance and got a better rate. We did not go with them last year as we needed our insurance before they had anything finalized. The group option is a lot cheaper, it's through K & K and has the same restrictions as before,no young passengers and unpermitted drivers, etc. We all agreed we would not like to go back to K & K with all its restrictions. Bonnie will ask the current company for more competitive pricing. She will update at the December meeting.

Bert – What to do with the coffin go kart. The coffin race will never happen again. I missed the decision, other than not to keep it.

Are we going to do a coat drive again this year, including sleeping bags and blankets, etc.? The response was yes. We can get items to Bert, or bring to the December meeting.

Licia – She asked about the year-end EESCC donations and club Christmas cards. Bonnie replied she had been looking for cards to order and will bring them at the December meeting. We will also decide the club year end donations next month.

Tim – He mentioned that we will miss the last half of the season in 2027 and will not be able to do the trophies.

Club website; since we retired at the end of 2025, we would like to do away with our web server. The only active site on it is the EESCC site. He has done some research for another hosting location that uses the same software the site is built upon, but has not made a decision. There was discussion about having a new site built, but all the history (of which there is a lot of) would be lost. For now, the consensus is to move the current site to another hosting location.

The Christmas party will be Saturday December 12th. 6 pm at Jamie Black's house, potluck style and we'll do the gift exchange.

The meeting was adjourned at 8:28 pm.
