EESCC Meeting Minutes

October 7th, 2026
Sizzler

Attendees: 16 – Mike and Gail Glass, Bert Jacobson, Bren and Lorin Wamsley, John Schmidt, Caleb and Ivy Tucker, Mary Richardson, Licia and Jerry Shultz, Jamie Black, Keith Olson, Paula Loftin, Ben and Bruce.

President, Bert Jacobson, called the meeting to order at 6:32 pm.

Meeting Minutes – Licia Shultz read the September 2026 minutes. They were approved as read.

Treasurers Report –No treasurer report this month.

Business

501(c)(3) Update –Licia – John has prepared a feasibility report for the Glide site. We will be looking at it at the foundation mtg. right after this one. John cannot advise on any actions that are in the report. We have a lot to consider.
We will be selling raffle tickets at the banquet, because we didn't have a raffle at events 1-2. This will take its place.

Banquet – Licia & Jamie - Now the numbers are starting to come in. There was a little hiccup in the registration area, but it works now. We know with social platform reminders and a few phone calls we should have a pretty good turnout. Our committee is meeting with Valerie at the venue to finalize the menu, set up of the space and set-up and take down times. We will give an update to Tim. There is an article that will be on the club site.

Yes, there will be games, no costumes required. We have heard back from a lot of folks that they enjoy a costume event. There will be candy and yes, we will be playing "Do You Gotta" and another game.
We need to thank Mike and Nadine for hosting our meetings at their place and agreeing to be the Greeters at the banquet and being involved in many ways. We appreciate them both.

2027 Schedule – Lorin - Lorin passed around possible event dates for our 2027 season. There were proposed dates for EESCC. There were proposed schedules for ACCO, WMC, and SSCC, as well as holiday dates. There may be overlap with one WMC event.
All our dates have been approved by the Glide site owners. Lorin checked in with Glide revitalization group because they have a Sasquatch festival on Sat. June 19th, it's about ¼ mile up the road. They are glad to have us there as well. Jamie did wonder if there would be an impact on places to stay in the area. It would still work if people needed to stay overnight in Roseburg, it's not that far away.
Mary asked if all our proposed dates are planned for the Glide site, and if so, can we entertain the idea of one event at Hoodoo? These dates that were listed are by no means the final draft. There will be more discussions to come.
Also, it has been suggested that we let people in the local car culture know our dates so that they can add us to their calendars. It would help if we talked to Lyle, Pierce and Josh about whom would be a good contact.

Sponsors – Mary - It will look a lot like last year. $350 for regular sponsor price. We may be looking at offering a lower price for Glide businesses. We will be looking for a serries sponsor, even though it's not a popular option. There was a lot of discussions about the pay structure and agreed that it warranted more discussion. Some folks said that we need to do better/more for our sponsors, social media posts, perhaps a banner that is faithfully displayed at every event. A shout out at the event is pretty minimal. Mary will be looking into our price structure, developing next year sponsors list, businesses in the Roseburg area and a banner with ideas that show different levels of sponsorship.

Roadside clean up date- Bert- October 18th was suggested. There will be pizza afterwards. It takes at least 8 people and we 6 now. Bert will let Bonnie know

MSR-Jamie wants folks to keep it front of mind. It will take Bonnie and Tim to do some work to have it ready for next season. It is a change, but many believe it's the right direction for the club

Additional Agenda Items:
Mary - would like approval to boost our social media posts. It will cost about $5.00 a month on each site. We need a discussion whether or not to boost sponsors.

Licia - Tim B. has a car that he bought that might be a good purchase for the club, be to use as an IROC car. Bert and he had talked about this, as we know that renting a car is probably out of the question. This may be a good direction for the club. No decisions could be made until we have more Officers at the meeting.

The meeting was adjourned at 7:51 pm.
