EESCC Meeting minutes

September 2, 2026

Sizzler, Springfield

President Bert Jacobson called the meeting to order at 6:31 pm.

The August 2nd minutes were prepared by Secretary Peggy Steck and read by Licia Shultz. They were approved as read.

There was no Treasurer Report.

501c3 update- Licia-We made $320 from our raffle fundraiser. Steffanie Kearny was the winner, she said she was going to give it to her daughter.

John Schmidt is going to have an in-depth report on the land in Glide. He will share that report at the Foundation meeting that will follow this meeting.

2027 schedule-Lorin- He will be looking to see what other clubs are proposing to avoid overlap if possible. Probably reasonable to have those dates in by Dec./Jan. He will be looking at Hill climbs, ACCO, and the Willamette club mostly. Bert asked Lorin to bring us a rough draft calendar for the next meeting.

Sponsors- Mary-Just finished this season and will be talking with Lorin for possible new sponsors in the Glide area. She plans to approach this year's sponsors to see if they will be returning next season. Looking into possibly a banner with sponsors on it to be displayed at our events. Wants to see if there is any interest in having a lower priced sponsorship for local Glide businesses. It was discussed whether it might devalue the regular sponsors.

There was discussion about how best to show our appreciation and inform folks on how to become a sponsor. Mary wants to keep up on our socials, more regular posting and keep our information up to date. This will be revisited next meeting.

Banquet Report -Licia- spoke to Valerie at the Pine Ridge Golf Course and she is looking forward to working with us again this year. Our committee will be meeting with her on site and share some of our concerns (projectors-sound system-microphone- table set up). The banquet is scheduled for November 7th. Our price will be the same as last year $40 per person. Our theme for this year, our 60th anniversary as a club, is EESCC Diamond Jubilee.

Tim and Jamie will be working to get the information for registration and then open it online.

There is an important U of O game that day, but it should be over before the banquet.

Hillclimb report-Mike- Larrison rock will not be happening in Oct. No Maryhill or Mary's peak this year.

Event 7 & 8- Bert-

Tim found the map to use. There have been a lot of complaints about using VRC. No one likes the asphalt; it eats up tires. We are losing some of our race family because of it. There were quite a few unused screws spread across the entire track??? VRC would not be a good place to do the blind auto-x. We need to discuss the VRC venue.

IROC report- Licia-the way we did it this year was a bit smoother; there were very few complaints.

THANK YOU.

Tim Steck for the stats, Brad Moffitt for the car, John Schmidt for timing and the poster for the IROC winner, Jeff Childers for the in-car videos and the banquets videos, Alan Bowers who helped wherever he could, Jerry Shultz & Jamie Black for the hero shots and the track-side videos of each person. Thank you all very much!

There were 38 possible entrants and 31 did their runs. That's pretty good for us.

Roadside clean-up-Date? Sometime in November? Check in with Bonnie at the next meeting.

Newsletter article- Licia- Banquet information.

Additional Agenda Items.

-Tim and Peggy are taking care of the trophies.

-Bert wants the Cone Killer trophy and the Gear of the Year Trophy back so that they can be updated for this year.

-Bert discussed the food vender Rodny didn't feel like it paid him for being there, but the hot dog guy, Louie loved it! Cindy Lee may be interested next year; Bert will check in with her.

-Jamie – reminds us about using MSR (motor sports registration), keep it in our minds for next year. More discussion needed at next meeting.

-Tim wants to be sure that he and Jamie are on the same page before opening the banquet registration. The meeting was adjourned at 7:28.
