FAST GRASS AUTOCROSS IS BACK!!

This members only event, will be held on Saturday October 18 at the Pioneer Resources Business Park in the 4000 block of 1st Ave. This is just off of Bertelson Ave. in west Eugene. Registration is from 9:00 to 10:00 AM with runs starting soon thereafter and running until about 3:00ish.

This is **low key** event with stopwatch timing. There will be a minimum of classes. We will at least have, 4WD, FWD and RWD as separate classes. Registration will be \$10 and entrants will be limited in number to about 40. Come try your hand at some fine hay mowing!

2003 VOS Series Finale

Well the fat lady has sung and the racing season is over. What a wonderful season, and a great way to end it. Again we averaged over 120 cars each day. Keith Olsen and Bonnie and Jim Mueller put together some great courses. The competition was as intense as the heat. It was 97 degrees on Saturday, and a more reasonable 85 on Sunday. There were a few classes undecided going into the weekend, but by Sunday, all but one of the classes had a winner. That was in FP, and there were three racers still in the running. In the end it was the familiar green Z of Ken Loftin beating

continued from page 1 (top right)

Some people have rented cars for this event. Some bring out their tow rigs and some use their autocross car.

One rule specifically for this event. If you knock a cone over, you have to put it back up!

I do want to stress that this event is like all others, it will be conducted in a safe manner, and those who do anything that might endanger themselves or others will be asked to leave.

We will need some help with mowing the area and setting the course. If you have a good mower, riding style, let us know.

continued from page 1 (bottom right)

David Boyd and Jordan Weist.

True to tradition, we had the IROC. All the class winners got to drive a cushy Buick, which was provided by Lorin Wamsley. We had kind of a convoluted version of Sundays course, one run each for all the marbles. The winner is____ sorry it's a secret, only Pat Ezard knows and it will take at least a set of race tires bribe to find out.

There are 79 trophy winners for 2003. As always it is a very diverse group of drivers and cars. A lot of new faces and a lot of older faces. Sportsmanship, camaraderie, and plain old-fashioned fun made this, in my humble opinion, the best ever for the club.

We will celebrate this great year next month at the year-end banquet, where the racing will continue with the "Kid Sport" pinewood derby. For those of you who had kids in Cub Scouts, you can put your engineering skills to the test, and make the ultimate gravity racer. The rules are included elsewhere in this newsletter, and we are going to make sure there will be no cheating. This is EESCC, not NASCAR!

You won't want to miss this celebration.

Jim, treasurer for life and newsletter editor chief, Mueller.
