Old Business

Hand Held Radios

Pat Ezard reported they will be checked out shortly.

Trailer Shelter Update

Jerry Braunberger reported they are targeting September to have something in place. Pat Ezard stated he is able to obtain vinyl used billboard material if there is any interest.

Bookmarking of Website

Tim Steck reported Robert Steck has completed the EESCC bookmark.

Event 3 and 4 Recap

Brad Moffett reported the events went very well and he only heard good things from others. The weather was hot. The bleachers were great especially since "Wild West Events" provided set-up and tear down. Jerry Braunberger stated field liner was used inadvertently in place of oil dry at the event. Be sure to read the bucket before you collect the specimen. Paul Stacker stated we need a total of 3 people in grid and they should be armed with radios. Everyone agreed this is needed at the VRC venue. Paul also reported that there were way too many people in the grid area. Having 3 people in grid should help the monitoring of this area. Tim Steck would also like to have a "grid radio" in timing. Jerry Braunberger will purchase 3 vests with grid written on the back. Pat Ezard stated Event 3 and 4 pictures are on-line. You can access them via Pat's website through the "contact" page on the website.

Design and Specification Trailer Committee Meeting Update

Bonnie Mueller reported the committee has not had a chance to meet. Pat Ezard mentioned a custom trailer we may be interested in.

Larison Rock HillClimb Planning

Bonnie Mueller recapped what has been accomplished so far in the planning stages. Bill and Cheryl Baugh are co-chairing the event this year.

- The flyer party is scheduled at 5:00 p.m. June 7th in Jim Mueller's office. Those who help are provided pizza and can register for the hill at that time. Others will register via the event flyer mailing or the internet, Saturday, June 9th. Tim Steck will update the computer to accommodate registration.
- Larison hill clean-up is scheduled for Saturday, July 7th.

- Pre-Larison meeting will be held Wednesday, June 27th 6:30 p.m. at the Mueller's home.
- Bonnie is working with David Lumbrá and an artist on the t-shirt design. They are really fun.
- Trophies will be great.
- Make your reservations at the Best Western. They will serve continental breakfast at 5:30 a.m. There are other motels available in Oakridge.
- Everyone needs to get busy finding door prize donations for the Saturday evening get together at the pizza parlor. If you choose to buy an item between \$10.00 and \$15.00 that is fine too.
- If level 3 fire danger is an issue, the races will begin at 8:00 a.m. and we'll need to be off the hill by 1:00 p.m. This probably won't be a problem.

New Generator Pricing

Jerry Braunberger presented the pricing available through Ramsey Waite. Much discussion ensued as to what the club needs are at this time. It was clear that we need smaller, quieter, and more portable generators. A motion was made by Brad Moffett to purchase 3 of the 2000's with a series adapter. Keep the old generator for one year and if we find no use for it, sell it. The motion passed. Jerry Braunberger will purchase the generators prior to the hillclimb.

New Business

Autocross Workers

Bonnie Mueller reported that she noticed workers are not always working their assigned job. There were a number of suggestions discussed on how we can catch the culprits. During the drivers meeting we will begin announcing that if you don't report to your job assignment, your runs will be disqualified. Jim Mueller will write up a blurb for the newsletter and website. Clint Ipock volunteered to check the workers board as people report to their assignments.

Electronic Rule Book

Tim Steck asked that Bonnie send him the electronic version of the rule book. It will then be posted on the website.

Schedule Changes

Bonnie Mueller reported that the ACCO Hoodoo event has changed to 7/28 and 7/29. Also the Bible Creek HillClimb event has changed to August 11th and 12th.

Car Numbers

Mike Cockerline stated that shoe polish is much easier and would it be possible to go back to using it. Tim Steck stated that the contrast is much better with paper. It is imperative for timing that we stay with paper and markers. It was decided we would continue as we are, but begin educating drivers that the paper was intended for novices only. Jim Mueller will write a blurb for the newsletter. Clint Ipock suggested to announce the need to purchase numbers at the drivers meeting. Ruben Cruz will contact Sherri Lyons and ask if she would be willing to help out with the numbers in tech for novices. Jerry Braunberger will order a novice chair vest for Sherri. Bonnie Mueller suggested that stencils be made for numbers 0-9 to make it easier to make the paper numbers.

Worker Drawing

Cheryl Baugh won the worker drawing.

Event 5 and 6

Tim and Peggy Steck will chair events 5 and 6.
