Old Business

Venue Update

Lorin Wamsley reported there is a possibility we can use Brasher's in 2017. Event 7 and 8 are out due to a conflict with that weekend. 1st street is not a viable site. The amount the club would have to pay is too high. Bert Jacobson had mentioned a site in Sutherlin. After Lorin researched, it was determined this site would be about 1/3 the size of our current Creswell venue.

2016 Blind Autocross Chair

This item was tabled due to Bert Jacobson's absence.

Summer Picnic Recap

Licia Shultz reported 128 people attended the event. After reviewing the bills, the event cost the club about \$4.40 per person. The games were a success. Besides our club, we had attendance from ACCO, WMC, SSCC, and Portland clubs. Eleven cars were shown. Randy Poole displayed his fantastic artwork. Licia stated it was a very nice way to celebrate our anniversary. She'll be sending thank you cards to TireSport and Garage 808 for donating items.

Event 5 and 6 Planning

Jerry Braunberger informed us the events will be happening. The following was discussed:

- Course maps were reviewed
- He will double check that there will be a washing station
- No vehicles except in the paved parking area
- Camping is allowed in designated areas
- Tim Steck is working on timing
- Waiver control will be by grid

Radio Report

Jerry Braunberger stated he is not finished with his research, but has talked with a number of people and has obtained 6 quotes so far. We'll be discussing different case and licensing options at another meeting.

Banquet Update

Bren Wamsley asked how many had signed up for the banquet and were planning on entering a pinewood derby. No one had signed up and several mentioned they will be entering a pinewood derby.

OLD Timing Display

Tim Steck stated he had sold our old timing displays and cases to the Viper Club.

August Road Clean-Up

Bonnie Mueller reminded everyone the road-cleanup is Saturday, August 20th. We meet at Superior Tire Goshen 9:00 am sharp. Pizza and beverages will follow. We're looking looking for younger helpers.

New Business

OSI

Hope Mueller stated Jack Gassaway had asked Bert Jacobson if we would co-chair the OSI event again this year. Tim Steck indicated he will be setting up our timing equipment. It will be October 8th and 9th.
