Old Business

Venue Update

Lorin Wamsley stated he visited Davidson Plant in Mapleton, but Phil wasn't available. He will try again. We are still planning on Willamette Pass for events 5 and 6. We haven't received a confirmation but this is typical for this venue. Lorin will work on the new rules to adhere to with Willamette Pass. Bonnie Mueller suggested looking at the old Rear's Manufacturing across from Lane Forest Products. Bert Jacobson suggested Brashers in Eugene would possibly be a site we could consider. Lorin will check both sites and report next month.

Calendar and Business Card Update

Tim Steck reported they both have arrived and will be available at IceBreaker.

Other Position Assignments

Bert Jacobson asked for volunteers to chair Events 1 and 2. Ryan Rink and Alex Gross volunteered. Ryan's friend Steven Brantley will help as well. They will need to bring their course maps for review to the next meeting. We are still in need of a Chairman for The Blind Autocross.

Practice Day and IceBreaker Planning

Bonnie Mueller stated there are 49 people registered for Practice Day so far. She felt 2 run groups will be best. One group will be running while the other group working.

- Jerry Braunberger will see that the trailers are in place.
- Set-up is at 5:30 pm..
- Bert Jacobson needs to order potties.
- Lorin Wamsley is having the lot swept Friday afternoon prior to the event and proposed we sweep afterwards since Mark Bray will be running electric cars in the same lot soon after. It was decided we would sweep after as a gesture of good will.
- Lorin Wamsley mentioned all sponsors can set up at IceBreaker if interested.
- Bonnie Mueller felt we need 6 canopies
- Bonnie Mueller stressed her sound and safety concerns at the events. We don't want to lose our venues.

World of Speed Recap

Scott Wamsley reported 7 club members attended. It was pretty cool. There were 120 cars and guides are available upon request. They also have 3 simulator cars that are a lot of fun.

Scavenger Hunt Recap

Bonnie Mueller reported 12 cars participated. The course took about 3 ½ hours and it was a great time. She enjoyed putting it together. Tim and Peggy Steck took first place in the 2 person class and Bert and Lisa Jacobson took 2nd place. In the 3 or more class, the Hafner car took 1st place and the Heater/Mollison car took 2nd place.

Press Relations

Licia Shultz felt it would be great to develop a relationship with the press and awareness of what our club provides to the community. We can also capitalize on our 50th anniversary. Lorin Wamsley and Licia Shultz will have a PR talk.

Timing Equipment

Tim Steck announced that a guy from GM called and was interested in our old timing equipment. Possibly a deal will be done soon.

Trailer Update

DaWayne Kerbs reported he and Nick had completed the repairs on the timing trailer. Jerry Braunberger thanked them for their work. It involved quite a bit of work and saved the club quite a bit of money. Jerry has also completed his work on the registration trailer.

TSD Rally Update

Simon Levear reported so far we have 3 paid entries. Everything is progressing well.
