### Upcoming EESCC Events

**Monthly Meeting** 7:00 PM Dec 7<sup>th</sup>  
The Sizzler, Springfield OR

### **2017 IceBreaker will be a points event!!**

Normally IceBreaker weekend has been a non-points weekend and in 2016 we added a non-points Practice Day on the Saturday before Sunday's IceBreaker event. Because of the loss of another venue (i.e. Creswell's Bald Knob lot) we are concerned about the number of venues we can hold autocross events on and therefore the club has decided to make each event of the 2017 IceBreaker Weekend **POINTS EVENTS** to be included in the 2017 autocross series!

**Saturday, March 11<sup>th</sup> will be our 1<sup>st</sup> points event (i.e. IceBreaker #51) and event #2, also a points event, on Sunday, March 12<sup>th</sup>.**

### **2016 Awards Banquet Highlights Plus** By Bren Wamsley

What a fun evening we spent at Valley River Inn, Saturday, October 22nd. We had 95 people attend this year. It began with a Social Hour, Pinewood Derby, and Photo Booth. We had appetizers followed by a wonderful buffet and dessert table and lots of activities. Gold was the color of the evening. It was very fitting for our "50<sup>th</sup> Anniversary" theme.

Lorin Wamsley began with an introduction to the evening events. He then introduced Bert Jacobson, our MC, and his side kick, Nick Kerbs to present the trophy awards to our outstanding drivers. They were given Hydro Flask 21 oz. Standard Mouth bottles with the Class Champions also getting a Standard Mount Insulated Sport Cap. Thanks to Tim and Peggy Steck for all their work on these. Bert gave a huge thank you to all of our sponsors and venues and presented them with 16 oz hydro flasks.

Jeff Childers created and presented the IROC video and results. The top 5 drivers were: 1st Steve Wynne, 2nd Issac Viel, 3rd Ryan Allen, 4th Ryan Rabern, and 5th Justin Pokorny. Awesome Drivers!! Thank you Jeff for all the time you put into this presentation. Everyone can see this video on the EESCC facebook page.

Bonnie Mueller provided a synopsis of what we have provided to our community this year. We have donated \$1000.00 to the Oakridge Fire Department and \$918.00 to Food for Lane County. Last year we also gave to the Candlelighters, Food baskets for the Campbell Center, and Guide Dogs for the Blind. We will be giving our annual Thanksgiving and Christmas Donations. We lost one of our long time racers this year and will provide a donation to PositiveCommunityKitchens.org in the name of David

Lumbra. They were most helpful to the Lumbra family during the difficult time. In addition to cash donations, we spent 60 man hours and picked up 50 bags of garbage during road cleanup so far this year. We compete to see who finds the funniest or grossest item and then meet and enjoy pizza and drinks afterwards on the club. Our next cleanup is November 5<sup>th</sup> meeting at Superior Tire in Goshen. We would love to have more helpers.

Bert Jacobson announced there were a number of people within our club who are deserving of the Gear of The Year Award. It is given yearly to a club member who steps up and goes above and beyond. This year's recipient was Jerry Braunberger, our first double recipient, and well deserved. Bert also presented Jim and Bonnie Mueller with a plaque and gift for their dedication and contributions to EESCC for over 40 years. They have been the backbone and the heart of the club.

Next we played a game called "Most Popular Answer", a form of family feud with each table playing against each other. Bren Wamsley explained the rules and hosted the proceedings. Licia Shultz partnered with her to determine the most popular answers. The winner was table 7. (DaWayne, Nick, and Chelsea Kerbs, Louise Mazet, Lexi Harris, Andrew Hafner, and Doug and Karen Drouet. They split \$120.00 between them.

Then it was time for **The Good, The Bad, and The Ugly**. Bonnie Mueller presented these awards following musical accompaniment. The "Good" was presented to Russ Walters for the "Most Improved New Driver", Oops! Jerry Braunberger and DaWayne Kerbs tied for the "BAD" garnering the "Compass Award" also known as the "Where the Hell Am I Award". The "Ugly" was awarded to Jason Braunberger with the "Cone Killer Award" hitting 41 cones for the season. The CP's have reined over this award for years.

Tim Steck presented thank you gifts, 16 oz hydro flasks, to acknowledge the time and commitment that several people have provided to make the club better for all. The recipients of the thank you's were Bren Wamsley, Licia Shultz, Hope Mueller, and Bonnie Mueller. It's a girl thing. ☺

I hope everyone took advantage of the photo booth Licia Shultz and family setup. It's always a treat. I'm looking forward to seeing the pictures.

Lorin Wamsley enjoyed presenting the Pinewood Derby results. Thirteen cars participated; 4 in the modified class and 9 in standard. Modified class resulted in Jim Mueller taking 1<sup>st</sup> place, Bonnie Mueller 2<sup>nd</sup> and Sean Mueller 3<sup>rd</sup> keeping all the wins in the family. Standard class was Bruce Harmon 1<sup>st</sup> place, Russ Walters 2<sup>nd</sup>, and Carin and Steve Nichols 3<sup>rd</sup>. The 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place winners received cash awards. Ballots were cast for Butt Ugly and People's Choice entries. The trophy for Butt Ugly was awarded to Patty Walters and People's Choice to Bren and Lorin Wamsley. The trophies were provided by Terri Wamsley, owner of Bar N Dee Trophies. Thank you to Terri for the donations.

Many terrific door prizes were drawn throughout the evening. Several of our sponsors donated door prizes including: Bert Jacobson - All Rite Roofing, Lorin and Bren Wamsley - Lorin's

Home Team Real Estate Lending, Danielle Zimmerman - the Josh Cooley Team Keller Williams Realty, Tim and Peggy Steck - TBS Consultants, Eric Hoffman – Chameleon Painting, DaWayne Kerbs - ALSCO, and Jim and Bonnie Mueller, Go Van Gogh Racing, James McCoy – Garage 808, and Aaron Ponciano - TireSport. Bren Wamsley won the \$50.00 cash prize from EESCC and Jackie Hoffman the Valley River Inn’s “Bed and Breakfast Package”. EESCC donated a number of cash prizes and autocross entries. Also, I give many thanks to Licia Shultz and Hope Mueller for securing other donations throughout the community.

We gave many thanks to Valley River Inn for hosting our event and providing such a nice door prize. I really enjoy working with Roxane Butler, Director of Catering, Valley River Inn. She is so fun and accommodates our needs in any way she can. Their servers were very attentive and welcoming to our group. I have one more Thank you and that is to David Mills. He continues to provide a DVD with excellent footage of our series events. I do know the editing takes a lot of hours. Much appreciated David. You’re the best!

Lorin closed by thanking everyone for making EESCC such a great club. He also thanked the Banquet Committee (Bren, Lorin, and Ryan Wamsley, Danielle Zimmerman, Licia Shultz, Hope Mueller, Bert and Lisa Jacobson and Alex Gross and the banquet presenters, Bonnie Mueller, Jeff Childers, Bert Jacobson, Nick Kerbs, and Tim Steck.

We would love to see more of you become involved in the club. Attend our monthly club meetings at 7:00 pm, the 1<sup>st</sup> Wednesday of each month at the Sizzler. It’s fun to eat and chat among friends prior to the meeting. If you would like to write a news article for the club, let me know and I’ll assign a month.

I’m already looking forward to the 2017 banquet. If you have any suggestions, please send them my way.

### **So How Did You Get Started?**

By Russ Walters

This has only been my second year of Autocross and remembering how I got started is still fresh in my mind.

My son Travis Walters started Autocross a few years before I did. I would go to the weekend events and sit in my chair and watch him race with his friends. Travis would invite me to ride along with him but I was happy just watching, besides this was his thing and I was the outsider.

During his third year my wife and I decided to buy Travis a new helmet to race with. I decided to buy myself one just in case. At the last event of the year there I was with my new helmet in hand and not a clue of what I was doing. I followed Travis down to grid and he showed me around the lineup up of cars. At the time Travis was co driving with Tanner Berg in Tanner’s Mazda RX7 turbo. They strapped me in and basically told me not to touch anything.

After that first ride I was left with two questions; 1. where did

**Continued from previous column**

my son learn how to drive so fast (I never showed him how to do that) and 2. what car can I get into next to do this again! I found myself looking up and down the grid lineup for an empty passenger seat. Travis and his friends pointed me to the available cars. I rode in a Honda S2000, a Honda Civic, then back in the Mazda with Travis. I was having a great time.

Then it happened, I was standing in grid looking for my next ride when Wes Davis approached me. I knew Wes from our trade as Journeyman Linemen. You know, the guys that climb poles and turn the lights on. Wes asked me if I had a car out here and I said no that I was just doing ride alongs so he invited me to ride with him in the “Periwinkle” Corvette. Wes pulled up to the start line and prepared for the run, the flag dropped and we were off. The sound of the engine revving, the transmission shifting gears, the smell of the tires, brakes, and the hot exhaust, I was in heaven.

I thanked Wes for the ride and made a bee line towards the stands where my wife was sitting. I walked right up to her and said “I’m buying a Corvette”! A Corvette, me a Ford guy, what am I going to tell my Dad, he was a Ford guy, we have never owned a Chevy in the family. Oh well, I’m buying a Corvette and the hunt was on for the perfect car so I could join this new adventure called Autocross.

I searched Craigslist every day for months looking for the right car but more importantly it had to fit the family budget. Who knows maybe after I tried driving I wouldn’t be as excited about this anymore. (Yah right!) Travis and I looked at a few cars locally and only found duds. In early February I found one down in Oroville California. I called the owner and made an arrangement to take a look at it. Travis and his wife Allyssa joined me on the trip down. We found the house outside of town on a dirt road with few homes around. The older owner met us outside and took us to the garage to see the car. His wife joined us later and definitely showed signs of intoxication, and it was only noon. She took Travis in arm and insisted showing him around the homestead, so off they went. I was able to pry Travis away later so we could take a test ride, one problem two seater car and there was three of us. Allyssa agreed to stay behind and lock herself in our car. We took a short trip down the dirt road and quickly returned so Allyssa wouldn’t be by herself for very long. We made the deal and got out of there with our new autocross car.

We stayed the night at my parents’ house just outside of Chico and looked the car over. No dash lights, no defroster, no heater, the center console electronics were dead, you had to pull a fuse to turn off the interior lights and flip a switch that the previous owner installed to make the radiator fan work, but it ran. I planned on driving the car home and had a secondary plan that if I could make it within 180 miles of

**Continued on next column**

**Continued on page 5**

**Continued from page 4**

home AAA could tow it home from there.

The next morning, we were off for home, in one of California's biggest rain storms of the year. I packed a few towels to defrost the windows and dressed warm to make up for not having a heater. My towel defroster worked well as I tried not to breath too heavy, plus I left the side windows down just a little to allow air to flow through (couldn't get any colder). With the windows rolled down, a cracked sunroof over my head, and heavy rain I was getting soaked, mostly down my left side. We made it down the highway for a couple of hours to Weed California when the windshield wiper decided to jump ship and fall off. I pulled over along I-5 and Travis came out of the comforts of his fully operational car to help me fix the wipers in a heavy down pour. We got it fixed and I climbed back into the Corvette soaked even more. All I had to do was make it to the Oregon border and a few more miles and then I could call AAA for that tow. When we hit the border the sun was shining and my windows were clear so we continued the journey home.

Safe at home we spent the next few weeks getting the car ready to run. I cleaned a few ground connections tweaked some wiring and the car was ready for its debut at Ice Breaker 2015. But was I ready?

Thanks to all that have helped me out over the last couple of years. This has been one great adventure that I wish I would have found years ago!
