Old Business

Radio Report

Jerry Braunberger had nothing more to report. Trying Mycom radios at last event didn't work out. We'll work on this during the winter.

Event 7 and 8 Recap

Tim Steck reported the events went pretty well. Number of participants was down. Saturday a car hit the timing light. We had a spare. Tim said he had received comments that his course was the best ever at Creswell.

IROC Recap

Bert Jacobson stated DaWayne Kerbs, Russ Walters, Jeff Childers and Licia Shultz made IROC happen. DaWayne Kerbs did a great job of procuring the IROC car. Licia Shultz provided a public thank you to David Mills, Russ Walters, DaWayne Kerbs, and Jeff Childers for their handling of the IROC event. She received many comments from IROC participants regarding how smooth everything went without wasted time.

Venue Update

Lorin Wamsley reported he had talked with the LLC Agent at the Sweet Home site. Lorin requested to attend one of their meetings to talk about the club and what we are all about. There are 12 investors who own the land and the agent stated it would be a waste of Lorin's time and isn't going to fly. Lorin will approach again after the 1st of the year and request to attend a meeting. Lorin talked with Brashers and it was confirmed that Brashers' was purchased by ADESA, a national auto auction organization. They are happy to meet, but it's unclear whether the new organization will allow use of their lot. Lorin will get an update on the Douglas County Fair Grounds.

Banquet Update

Bren Wamsley reported the planning is going well. There are around 89 – 99 people attending. Registration closes October 8th. A reminder we have the pinewood derby this year. Bren asked if everyone would like to have a People's Choice and Butt Ugly category besides the 1st 2nd and 3rd place for standard and modified classes. It was decided we will and Terri and Scott Wamsley offered to provide the awards.

Trailer Detailing Party

Jerry Braunberger stated we need to detail the trailers. Bert Jacobson volunteered his shop. It is scheduled for Sunday, November 20th at 11:00 am.

Rewiring Timing Trailer

Jim Mueller stated the generator won't handle timing and the A/C unit on the timing trailer.
Russ Walters volunteered to install separate inputs.

Road Cleanup

Bonnie Mueller reminded everyone that road cleanup is schedule for Saturday, November 5th.
