### **Roseburg Fairgrounds Event**

We had a great time. 99 cars one day and 100 the next. Courses were challenging but fun. The way the grid, timing and registration were located made it easy on the organizers.

The surface started to get loose after several runs, and you had to learn to drive the clean line, not the proper racing line. Those who learned that, did well, those that didn't were a hoot to watch.

## Willamette Pass Autocross

Don't miss one of our most fun events of the year. Enjoy the mountain air mixed with the sound of racecars.

Camping is allowed and is a highlight of the event. The lodges at the Crescent Lake Junction are also popular for parties and barbeques.

Mainly we come for the racing. A couple of experienced CP drivers are putting the courses together, so you know they will be fun. Come on up and flatten some cones. .

### Just A Glimpse Into Our Past By Bonnie Mueller

I was looking for inspiration to write an article- I told Jim that I would write about all the cars we have had.....but he told me I had already done that. Sure enough, after reading every newsletter from now till 2012 I found it - in the February 2012 newsletter. Funny, he thought it was just a year or two ago, I didn't even remember it. Are we getting old or what?

**But, what I found going back, was that a large amount of our fantastic club-members have had so many experiences with cars, racing, and life in general! Fun to read- You must go back and re-read our old newsletters! They're all available online at [eescc.org/Publications.cfm#MonthlyNewsletters](http://eescc.org/Publications.cfm#MonthlyNewsletters)**

Things I noticed:

- 1) Our entry fee for an autocross only changed \$5, used to be \$15 member cost, since 2001 - \$20 member cost now. You can NOT have so much fun for \$20 anywhere else!!!
- 2) Below I have listed some fun articles written by our diverse crowd of members and friends – check out these, [but don't stop at these](#). Reread all the articles, for all the years. In re-reading these articles and newsletters, you will gain a small glimpse into the club's history.
- 3) I need to write a "Lemons part 2, the racing." Maybe my next article.

August 2004: "Quest for a new car body"- Tim Steck

July 2005: "What a long strange trip it's been" – David Lumbra
