## Old Business

### Venue Update

Lorin Wamsley provided the following update:

- Crescent Hill Dr in Holly, OR – Lorin will make contact soon
- Willamette Pass is good to go
- Sears at Gateway – Lorin has made contact. It is expected that Sears will go dark, but they still have an extended period on their lease. He is in the process of setting up a meeting with Gateway. They want to know more about us. There is a possibility we can use the old Sears parking lot in 2019. They would charge an undetermined amount for the use.
- Valley River Center – Lorin made contact with VRC after event 1 and 2 to see how the event went from their perspective. Everything was fine, but they do not want us to race there in 2019 and after. They had noticed the amount of deterioration in the parking lot and from a maintenance standpoint they don't want to have us back.
- Bert Jacobson has not had the opportunity to contact the owner of the property directly behind his house for the dirt rally. He will make contact soon.

### Calendar Theme
