

Meeting Minutes July 11, 2018

Attendees: 13 Alicia Andrews, Dave Andrews, Jerry Braunberger, Mike Glass, Bert Jacobson, Bonnie Mueller, Jim Mueller, Ryan Rink, Eddie Sanders, Peggy Steck, Tim Steck, Bren Wamsley, Lorin Wamsley

Present, Bert Jacobson called the meeting to order at 7:02 pm.
Secretary, Bren Wamsley read the June 6th meeting minutes. They were approved as read.
Treasurer, Jim Mueller presented the Treasurers' report and it was approved as presented.

Old Business

Venue Update

Lorin Wamsley provided the following update:

- Roseburg Speed Way – Lorin followed up with the Speed Way venue and was told there were no issues with them or the Racing Association. We are welcome back in 2019.
- Willamette Pass – Everything is good with them and everything will be the same as last year.
- Sears at Gateway – No update – we may not hear anything until the end of the year.
- Valley River Center – Everything is good for our August event. We are supposed to have a larger pit area.
- Rally Cross Venue – A number of us visited Tall Fir Nursery and it was decided it's too rough and would take too much to prepare it. Bonnie Mueller felt we need to start with something smoother. Bert Jacobson will check with Mike Cockerline as to whether the last property we raced on is still available. Lorin will be checking on an additional site in Harrisburg.

501C3 Foundation Update

No update in Licia Shultz absence. Jim Mueller is working on the application.

Event 3 and 4 Recap

Tim Steck created the courses for both days and there was a lot of positive feedback on the designs. Bert Jacobson suggested when we race there again we need to make smoother transitions from track to apron at start and finish. Jim Mueller stated camping fees were not collected and should have been. The club will not absorb it in the future. Someone will be assigned to collect next year.

Larison HillClimb Recap

Bonnie Mueller reported there were 50 drivers. Saturday there were some problems with timing. There is possibly something wrong with the board in the transmitter. The trophies were license plates designed by Alan Bowers and Lorin Mueller. The t-shirts were also designed by Alan and Lorin. Great job!

Banquet Planning

Bren Wamsley stated she had met with the Valley River Inn and discussed the suggested menu for our club. Fees have increased slightly. The administrative fee is an additional 2% and the per plate fee is up .50. It was decided that there would be no increase to the banquet attendees. They will remain at 35.00 per person and 40.00 per person for a late registration.

McFarland Drone

Bert Jacobson asked if anyone was opposed to Mark McFarland running his drone for videos at Willamette Pass. There was no opposition.

Rally Cross

Bonnie Mueller would like to change the rally cross date from September 16th to September 23rd. Rally Cross is still TBD at this point.

Bert's Tailgate

Jerry Braunberger requested the club reimburse \$500.00 worth of damage done to Bert's tailgate at the last event. It was agreed Bert will be reimbursed.

Cone Purchase

Jerry Braunberger inquired whether we want to replace some cones. It was decided that we purchase prior to the next season.

New Business

Event 5 and 6 Planning

The following was discussed:

- Jerry Braunberger stated the courses will be a variation of one of the courses we have run in the past. Bonnie Mueller asked that the course designers stay away from "the bump".
- Lorin Wamsley will get parking charges to Jerry. Last year Jerry collected \$10.00 per night.
- Lorin asked when is everyone needing access. Jerry and Bert will be there Thursday and Mueller's on Wednesday. Lorin will pass the phone number on to them for access.
- Jerry will work out trailer towing.
- Bert Jacobson will contact Cindy Lee for food cart availability.
- Bert Jacobson will see that 4 potties are ordered.
- Setup will be Friday, July 27th at 4:00 pm.

Catch All Class

Eddie Sanders requested that a "Catch All Class" be considered for next year. Much discussion followed. The club was not opposed to the idea, but would like Eddie and Ryan to bring a proposal to the next meeting outlining what the rules would be for this new class.

Registration Trailer Awning

Dave Andrews stated the registration trailer awning needs repair. He will attempt to fix it, but if unable a replacement may be necessary. Only trained individuals should be handling the awning setup and tear down.

Registration Trailer Rear Door

Tim Steck asked if the rear door of the registration trailer could be made to open and close properly. Jerry Braunberger and Bert Jacobson will look at it.

Electronic Newsletter Release

Jim Mueller will prepare the newsletter towards the end of July. Bren Wamsley will send out Events 7 and 8 Flyer prior to the mailing of the newsletter

Adjourn Meeting

The meeting was adjourned at 8:55 pm

Respectfully Submitted,
Bren Wamsley
