## Old Business

### 501(c)(3)

John Schmidt prepared samples of Business Cards and Letterhead. Suggestions have been sent to him by email and adjustments have been made. Final choices to be made at 501(c)(3) meeting immediately following this meeting.

Bruce Harmon is working on updating and finalizing the verbiage on the pamphlet.

Tim Steck has been working on the website. Making updates, creating content and making sure the site views correctly on all platforms, computer screens to phones.

Bonnie Mueller has made sample stickers to hand out to donors to put on their cars.

## New Business

### Sponsor Testimonials

Lorin Wamsley presented the idea of sponsor testimonials on the EESCC website. He suggested a place for people who use our EESCC sponsors to leave recommendations and positive comments.

Lorin also suggested creating sponsors of the month. Highlighting a few sponsors each month for recognition since we may not be able to provide them as event sponsors.

### Trifold

Bonnie Mueller updated and cleaned up our existing EESCC trifold brochure. She added new pictures to the front and added sections on other racing events that our members participate in. Most of this info is already on the website under the "About EESCC" section. These were handed out last fall at the coffin race and are a good way to get people to know about our club.

## Additional Agenda Items

### Calendars

Bundles of the calendars were delivered to Jim and Bonnie Mueller and Bren and Lorin Wamsley. Bert requested to have some for him to hand out also. They were supposed to be delivered when the others were delivered, but were not. We would like to get calendars out to event participants somehow as our first event was canceled due to Covid 19.

Tim Steck will put a PDF of the calendar on the website.

### Upcoming Events

**June 6<sup>th</sup> and 7<sup>th</sup> (Event 3 & 4)** The plan is to proceed like we will be able to have this event at the Roseburg fairgrounds as scheduled on June 6<sup>th</sup> and 7<sup>th</sup>. As of today, no contract has been signed or money paid. We will make a final decision 4 weeks prior to the event and post the decision.

**June 21st and 22nd (Hoodoo)** Still no word from Hoodoo and all attempts to contact them have not succeeded. Bren and Lorin plan to take a drive to Hoodoo and see if they can contact someone in person (6 ft. away). Bonnie asked if we would be able to have an event at Valley River on these dates if Hoodoo does not work out.

**Banquet Update** Bren Wamsley reported the contract is signed and the deposit paid. She did report if we have to cancel due to Covid 19 then we can get the deposit back. The question is will there be enough events to have a banquet and if so, how many events would it require. The consensus was a minimum of four events to have some kind of banquet.

**Hillclimb** Bonnie Mueller reported that the application for Larison Rock Hillclimb has to be submitted to the Forest Service 60 days before the event, which is coming up soon. She tried to get ahold of Hillclimb chairs Mike Glass and Paula Loftin to see if either of them had sent it in. She was not able to contact either of them.
