Health & Safety

**Bring your own face coverings. A limited supply of disposable masks will be on hand.

Masks or other facial coverings (nose & mouth) are required TO BE WORN (by all those aged 5 and over) in all areas on the site except when you are driving your car. Note: A face shield alone is not approved! Please have all members of your party spectate responsibly by following all the masking and distancing rules. **You will be asked to leave for non-compliance of these rules.

**You must wear your mask in the pits, grid, registration area, timing, tech, course, everywhere!

**Maintain 6 feet of distance between folks.

**Bring your own hand sanitizer and use frequently!

**Only drivers (and any household riders above 12 years of age) will be allowed in grid area.

**Ride-alongs are only allowed for same household family members.

**No Loaner Helmets will be used. Bring your own (minimum of Snell 2010 compliant)

**Please distance as much as possible in the PIT area. Please allow more distance than you normally use between your cars in the PIT AREA.

**The club will have additional hand sanitizer and wash stations available.

**The club will clean shared equipment between users.

Hopefully as we go through 2021 the Covid-19 rules will become less stringent. But for now, this is what we have to work with.

Our safety record with Covid-19 issues has a direct effect on our ability to run at other venues through 2021

If there is anything that would prevent you from complying with the above rules – Please don't show up!
