

Join us at a **virtual** meeting on (4/15/20) at 6:30pm.

Please start this process about 5 – 10 minutes before the meeting. We'll start the meeting at 6:15.

For best results please download the **free / non-commercial** version of TeamViewer directly from the www.teamviewer.com site before clicking on the link below.

For Browsers: (Edge – Dark blue E icon or Chrome) – I would avoid Internet Explorer (light blue E icon) if possible. Or Safari on a Mac.

If you have already download TeamViewer then you can open up TeamViewer and just enter the Meeting ID. (see below)

If you go under “Setting” you can change your Participant Name to your name so we know you are. If you are already connected, under participants on the lower right, hit the drop-down arrow next to TBS Consultants #, select Edit name and put in your name.

Meeting ID: **m684-927-10** (Don't type in the “m”, it is already entered.)

Dial: +1 213 289 3427 (0.05 \$/min)(**the club will pay for this**) to join the conference call. Your conference PIN is 68492710
