Jamie black and John Schmidt reported in Licia’s absence – A meeting with the Linn County Commissioners is getting setup for June. Johns company is doing the site planning. The public is invited. This will be the start of the public notification of the plan for the site. Several commissioners are in support of the park. Once the plan is finalized, then the firsts steps can be outlined for the development of the park.

Evo School – Paula – Coming up this month. Paula talked with Tom Kotizan and SCCA has a big event at Packwood planned for the same weekend, so several instructors will not be available. The Boeing club will do the timing. The Viper club will provide cones. Otherwise, everything is ok and ready to go. Paula has lunches handled. There is free camping onsite. Paula will be onsite by 5pm Friday evening.

Insurance – Bonnie – Still no insurance, none for this weekend. Bonnie has been assured we have coverage. Still no bill. Bonnie has been trying to contact someone and they do not respond at all. There are no changes to let permitted drivers and no riders under 16.

Event 1 & 2 planning – Bert – Bert brought maps. He used a previous course with a few changes. It’s a short course, but we will figure it out. Tech and registration on the DMV side. Bonnie would like more red tape and signage. Only drivers and crew inside Red area. No wrist bands needed for spectators outside red area. This will be mentioned at drivers meeting to keep grid clear. Bert will bring the registration trailer and the Mueller’s will bring the timing trailer. Setup is at 5:30 Friday evening.

Larison Rock – Mike G – The next meeting is Monday May 8th at 7pm. It will be virtual. Mike reported he has insurance and even the certificate. There are 20ish entries so far. Towing is secured. Cleanup is scheduled for June 10th. Sweeping is planned for the following weekend.
