2001 AND BEYOND

OK, well that's done! The 2001 seasons that is, and I hope everyone had a great time, in fact, many great times. I thought I would just write a note to once again thank all of you for coming out to as many events as you could. This years increased number of events and new venues was a bit of a challenge for many of us, but as usual the challenge was met with the help of everyone. The 2001 season saw a lot of members, drivers and non-drivers, young and old, novices and veterans, all step up and help out whenever and wherever they were needed. This club has always had that spirit but I was very impressed with this years efforts.

I was not the only one impressed by our membership either. We received thumbs up reviews from the management of Monaco Coach Corp. and an invitation to return to their wonderful facility again in 2002. Douglas County Fairgrounds, in Roseburg also had great things to say about us and requested our presence again next September. We also received a terrific letter from the management of Willamette Pass Ski area which stated; "Your preparation and clean up after your event was noticed and appreciated. From an outsiders perspective you have a quality organization". All of this makes my job downright fun.

In 2002 I'd like to see more input from you that can benefit all of us. If you have ideas to make things go smoother, or more fun, or better in any way, please let me know. I'd prefer your ideas in writing if you would; either email, letter, or just a note. Also, if you would like to chair an event next season or team up with someone and co-chair, then please let that be known too.

So, now we're preparing for yet another season and I hope to see more of the same, spending many weekends with great people, having great times, and great fun. However, 2002 will undoubtedly have some of the same challenges we saw this year and, of course, some new ones as well. So, even though I know we'll meet these challenges as always, I would like to say "keep up the good work" that helped so much in 2001.

Lorin Wamsley, VP/Competition Director (Email: CompetitionDirector@eescc.org)

Happy Holidays and see you March 3rd for IceBreaker!

A Visit from Racer Nicholas

(author unknown)

'Twas the night before Christmas, and all
through the valley,
Not a sports car was stirring, not even a
Ferrari.
The stockings were hung on the garage door
with care,
In hopes that Hot Nick soon would be there.

The kiddies were nestled all snug in their beds,
While Alfes and Jaguars raced in their heads;
Mom in her goggles and I in beret,
Had tucked in the Allard, and then hit the hay.

When out on the road there arose such a
clatter,
I sprang from my bed to see what was the
matter.
Expecting to see a Mercedes roar by,
We raced to the window, my dear wife and I.

The moon on the chrome of her baby Lago,
Gave the brightness of noonday to objects
below.
When what should my wondering eyes betray,
But eight tiny MGs, pulling a sleigh.

With a small hero driver so steady and quick,
I knew in a moment it must be Hot Nick!
More rapid than Grand Prix his little fleet came,
And he poured on the coal as he called them
by name.

"Now KA, now PB, now KN and TD,
On VA, on TF, on NA and TC;
To the top of the turn, keep away from the wall,
Now dash away, dig out, and change cogs all!"

Like Ascari and Fangio fighting a duel,
They broadslid the driveway and turned on the
fuel;
Up to the garage where they braked to a stop,
The sleigh full of goodies with Santa on top.

The sleigh was aluminum - Ghia design;
In British Racing Green, it really looked fine.
The badge bar up front stood out clear and
bold,
The collection of badges a sight to behold.

He was dressed up all in Italian Race Red,
From the tip of his toes to top of his head;
A bundle of speed parts he had on his back,
And he chuckled with glee as he opened his
pack.

His eyes, how they sparkled, like a spinning
Rudge wheel,
His beard was the silver of machine-tooled
steel;
With a little round face and a chubby waist line
That shook when he laughed like that Bugatti
of mine.

He started his task without saying a word,
The idling exhausts were all that was heard.
Wire wheels for Junior, to fit his TD,
Hood strap and windscreens for Allard and me.

Some paint for the Bug, marked "French
Racing Bleu",
Castrol, a blower, and dual carbies, too;
The last thing he left was the best that could
be,
A year's "Road and Track" for the family and
me.

He jumped to the sleigh and gave his
commands,
Then away they all flew like the start at Le
Mans,
And I heard him exclaim as he quickened the
pace,
Merry Christmas to all and to all a good race!
