GREAT EVENTS

Check out our website for further details on our May events. The Monaco lot was a hit, lots of great pavement that was well used by our course designers, we even had lots of parking for the pits, and the weather was gorgeous, if a bit cool. We had 114 drivers on Saturday and 135 on Sunday. Thanks go to our event chair Brett Howard, Competition Director, Lorin Wamsley, Registration Chair Bonnie Mueller, Tech Chair Bruce Shelton,

and everybody else who worked their tails off so that all these drivers could get their four runs in.

A couple of things we need to reiterate, with this site. The Coburg police are very diligent in enforcing the traffic laws in this area. That means no rolling stops or speeding. Any drivers that jeopardize our future use of this lot are not wanted!

Also, you must work if you want to run. We need a lot of people to put on these events. Many of us work for over 12 hours each day of the event and lots of hours before and after the event, just to make it happen. So when you're asked to chase cones for a couple of hours please do your job and don't hassle the chairmen.

****PREPAY 2001***

Again we are allowing you to prepay for the entire year. You can save some substantial bucks. For the entire fee schedule, check elsewhere in this newsletter.
