WILLAMETTE PASS-GREAT SITE

We had over 80 drivers each day at one of the prettiest autocross sites we've ever had. It was a great success. People were killing cones at an enormous rate and loving it. Check out the results on the web site.

YEAR END STANDINGS and IROC

The year-end standings are included here and on the web site. With each competitor only being allowed to count 6 events, there is some interesting competition, and a lot of classes will come down to the last event.

Remember, the class winners get to be in the IROC challenge, and see if they can take the trophy like

Jason Braunberger did last year. You know we will have an interesting vehicle for the IROC. Hopefully we can have the same mechanics do the performance mods like we had last year. Of course IROC is on Sunday, so you have to be there if you want to be the best of the best.

ROSEBURG AUTOCROSS

Roseburg is the next event on the calendar, and for those of you who weren't there last year, this is by far our biggest lot. We can have runs without repeating any part of the course. This allowed us to have 5 runs last year. We have a little more speed available here with wider gates and looser slaloms. It is a kick.

There are lots of reasonable motels, and you can even camp at the site. For those of you in Medford, this is a great opportunity to run another cone course, and to not have to put it on yourselves.

Year End Banquet

As depressing as it sounds, the year is coming to a close, so it is time to start thinking about the banquet. The registration form is included. As usual, we will have a ball. Lots of good door prizes, not the usual junk you get at some events.

We need you to register and pay early this year. You can do this on the web; we even have "PayPal" available. The restaurant,(and it seems all the others) wants a guarantee, and we can't afford to pay for those who sign up and don't come. (Not that anyone in their right mind would miss it.)
