### **New Business**

Tim Steck and Peggy Veatch will be the auto cross chairs for events 3 and 4 at Valley River Center.  
Registration times have been shortened by 15 minutes. See the event flyer for details.  
There was a discussion about loaner helmets and the need to have better control on them.  
Suggestions included:  

1. A larger lockable bin with a designated member in charge of the key.
2. Helmet numbering and checkout system.
3. Minimal rental charge for use of helmets.

The club will be purchasing some helmets to offer for sale at cost.  
Lorin Wamsley noted that although we want to accommodate our newcomers as much as possible, the club is not responsible for providing helmets for drivers and passengers.  
A suggestion was made by Pat Ezard for the club to purchase grease sweep in 5 gallon buckets instead of in bags for easier and cleaner storage and use.

An autosports club based out of the U of O and a local Miata club has approached Pat Ezard about an affiliation with EESCC. Pat will pursue further investigation and report back to EESCC.

The regional Subaru club has also inquired about participation at Larison Rock in July. Jordan Weist asked about limiting the number of drivers at events to ensure the maximum number of runs possible. For example, Portland caps the entrants at 75 for the a.m. and 75 for the p.m. runs. Bonnie Mueller stated that if this becomes a problem we may need to look at it, but the numbers have remained the same the last several years.

Other club newsletters and event flyers were passed around.

Check EESCC website for information and links. You could be racing just about every weekend!

A number of EESCC members raced in Atwater, California near Merced at Castle Airport. They had a lot of fun!

### **Larison Rock HillClimb**

The next flyer party will be held on Tuesday, May 27th at 5:00 p.m. at Jim Muller's office. The purpose of the party will be to discuss and construct the Larison Rock booklets. Volunteers are encouraged to attend.

The final Larison Rock meeting will be held on Wednesday, June 25th at 7:00 p.m. at the home of Jim and Bonnie Mueller.

The HillClimb cleanup will be Saturday, June 28th at the course site. Watch for details in the newsletter.

The HillClimb banquet will be held, Saturday, July 5th at Big Mountain Pizza.

A call for door prize donations has been issued. Contact a club officer with your donation.

Pat Ezard and David Lumbra are working on t-shirt and trophy designs.

Bill Baugh will check in to food availability at the site.

Cheryl Baugh will check into motel accommodations in Oakridge.

Kip Anderson reported that some road repairs have been made to the course.

This year, due to damage done to the timing trailer in the past, timing will be operated out of the van which is more maneuverable than the trailer.

There will be a generator shut-off curfew of 10:00 p.m. for our campers. We all need our sleep if we want to win!

If you have an idea for a "special" award category, contact Pat Ezard or Bonnie Mueller.

The meeting was adjourned at 8:30 p.m.
