

Meeting Notes
October 6, 2004

The meeting was called to order by President Brad Moffett at 7:05 p.m.
Secretary Cheryl Baugh was absent. September minutes were not available.
Jim Mueller was absent. Treasurer's report was not available.

Old Business

It was reported that Events 7 and 8 held at the Coca Cola facility went well. Lorin Wamsley ordered a courtesy sweeping of their facility the following Tuesday. Lorin reported that the Coca Cola personnel were happy with our use of their facility. A timing cable was damaged when it was run over by a vehicle and will be repaired.

The IROC championship event runs were completed between runs during Event 8. Ruben Cruz did an excellent job coordinating this event. He even donated the use of his personal vehicle when the IROC vehicle experienced mechanical difficulties. Ruben will present the IROC Championship Trophy at the annual banquet.

Tim Steck gave a brief report on the Medford Endurocross held on October 2nd and 3rd indicating club members in attendance, good weather, timely starts, and a successful banquet..

Introduction and welcome were given to several members attending their first club meeting, including Tom Sharp, Mike Sharp, and Mike Cockerline, who brought a friend along. It was encouraging to have new people in attendance.

New Business

The Autocross Club of Central Oregon is sponsoring the annual Oregon Shootout on October 9th and 10th. Invitations have been extended to all class Champions and 1st Runner Ups from the five Oregon Autocross Clubs. This is an excellent event and any member who qualified is encouraged to go. It appears that our club will have a good contingent in attendance.

It was reported that a site had not been located for the Fast Grass Autocross event. Mike Cockerline indicated that he had talked to someone who had some property in the Dexter area that would be willing to allow use of it for this event. Tim Steck volunteered to coordinate with Mike on securing the site for this event.

Bren Wamsley encouraged members to get their banquet pre-registrations completed. Lorin Wamsley volunteered to solicit sponsors for the 2005 season. He indicated that several have re-signed. Anyone who has possible candidates Should contact Lorin. He noted that we need to be careful sponsors we secure are not competing businesses.

Brad Moffett suggested that we have some winter activities for the club. These would provide some social contact for members during the off season. He encourages anyone who has some ideas of possible activities to contact him.

Lorin Wamsley inquired if Pat Ezard had some pictures that could be put on the club webpage from the current season. Pat indicated he would funnel the pictures to Webmaster.

The listed people volunteered to write articles for the newsletter and website. Articles need to be prepared and submitted by the 1st weekend of the month.

November	Ruben Cruz
December	Jerry Akins
January	Mike Sharp
February	Tom Sharp

Several suggestions were discussed about work that might be done on the trailers over the winter period. Ideas presented include:

- 1) Plan and install decals on the registration trailer.
- 2) Wash, wax, and any other detailing of both trailers.
- 3) Install heater and electrical service in the registration trailers. Jerry Braunberger will provide a heater. Jerry Akins and Pat Ezard will do the installation of the heater and electrical services needed.

Ruben Cruz suggested that the club give consideration to sponsoring a scholarship for a student for a driver's education course. No action was taken on this issue.

The meeting was adjourned at 7:40 p.m.

Respectfully submitted by Jerry Braunberger for Cheryl Baugh, Secretary
