#### **Back to Sizzler for the Monthly Meetings**

We are going back to the Sizzler for the club meetings. The meeting room at Hole-In-the-Wall was too small and noisy for our large group. So, we are going back to Sizzler starting in September. Tell your friends. See you then!.

#### **Willamette Pass**

What can you say! It was a blast. The weather was perfect and the location was beautiful. Tim and Peggy Steck put together two courses that were fun to drive. The "pucker factor" was great;

how fast can I go while maintaining enough control to avoid those orange pointy things?

I did notice that quite a few folks were competing very hard for the coveted year end "cone trophy" Some of you moved yourself up in the standings or even into the lead for the trophy!

It was good to be back in the mountains. The lodge was a wonderful host. They put on a nice breakfast buffet spread, and let us have the lot to ourselves. The pavement had a couple of years of dirt on it when we got there on Friday, but thanks to Jim and Bonnie Mueller, Dave Andrews and Bert Jacobson and the Billy Goat blower, it was ready to go.

The get togethers at the Braunberger/Jacobson trailers were a great way to unwind after some real busy days. Thanks Jerry.

#### **IROC and Events 7 & 8**

We will be back at Guaranty in Coburg for the final two events of the year and our annual IROC completion. Bonnie promises to have a "unique vehicle" for the IROC competitors. Remember, she races a minivan, for so be ready for anything!

Check out the IROC competitors list in this newsletter.

**Q:** How many car salesmen does it take to change a light bulb?

**A:** I'm going to work this out on my calculator, and I think you'll be pleasantly surprised.
