Old Business

501(c)(3) Update – A quick launch program was implemented for Giving Tuesday. One donation was received from Jamie Black's mom. There was some question about donations asking for addresses or not. Donations through Facebook only require an email address and name. Donations from the web site link require an address as well as name and email address. Licia is learning about fundraising through online sources.

She does feel that right now is not the time to focus on fundraising with so many people having limited income sources during Covid.

An ambassador program has been created to focus on getting information out on what the motor sports park is all about.

Next Meeting: 12/8, 6:30 (virtual via Zoom hosted by John).

Larison/NHA – Mike Glass – Mike was not present, so Bonnie reported what she knew. She contacted Mike and Paula regarding getting the permit submitted by Dec 1st deadline. She knew that they had a meeting together and that Paula has the permit information. Bonnie is pretty sure it was sent in, but does not know for sure.

The annual NHA meeting was held on November 18th and Mike Glass was voted president.

Wilke Meyers passed away on November 13th. He will be missed.

Peggy will send out links to his obituary.

EESCC proposed Event Dates – Lorin Wamsley - A column was added to the spreadsheet for venues and the ACCO schedule is on the bottom of the page. We all voiced that we would like to have ICE Breaker by itself like we used to do in the past. No final decision at this point. Tim and Peggy requested that the June event scheduled for HooDoo be moved up one weekend to June 10th and 11th so they can attend.

Regarding the TSD rally, Simon will have to be contacted.

Sponsors – Lorin Wamsley – He has contacted everyone. All but three have confirmed for next year. Axe and Saw has agreed to be our series sponsor again for 2021. TBS Consultants and Lucky dog requested their invoices asap so we can pay them in December.

New Business:

2021 Calendars – Tim Steck – he asked if a calendar was wanted for 2021. Yes, was the unanimous response. It was suggested to put a notice on the calendar to verify all event dates in places where its noticeable.

Newsletter release- Jim Mueller –Will create a November newsletter.

Additional Agenda Items:

Bonnie – The new helmets and the fire extinguishers are in the registration trailer. Bonnie also asked how often the fire extinguishers need to be certified. Do ours need re-certifying?

The meeting was adjourned at 7:35pm.
