

Hoodoo – Event #1 – “IceBreaker in June”

Welcome to our first event of the year! Please read this sheet. We are operating under the rules of the State of Oregon, Phase II of opening, and additional rules from EESCC, so the following apply as a condition to entering this area:

- 1) **Do Not Enter Our Area if you are not well.** Please do not bring sickness in.
- 2) Everyone must have a mask with them at all times. Please wear your mask if you cannot maintain a 6-foot distance between another person (such as in timing and registration, etc.)
- 3) Social Distancing: Keep a 6-foot distance please. This applies to working the course, conversing with folks in campsites, in tech, in Grid, EVERYWHERE!
- 4) Handwashing. DO IT. We also have Sanitizing Gel at Check-In, at Registration, in Grid, at Timing, and several other locations. Please use it.
- 5) Gloves: We have them available for your use if you wish. Please dispose of properly in the garbage though.
- 6) We can only have 100 people at a time inside our area.

If we have too many folks inside, there is a slight possibility we may ask some morning people to leave so we can get our afternoon group in. FYI

Thanks for helping us run this event safely and smoothly.
