Old Business

501(c)(3)

Things are moving forward.

Banquet

It was decided to have a picnic and potluck in September. The club will provide main dish and fixings and we will ask attendees to bring a desert or side dish. We also agreed we would like to have it at a park with a picnic shelter. We can cancel the banquet at VRI with no penalty due to Covid. Licia will try to find us a place where we can make a reservation.

New Business

Hoodoo Planning

We are waiting for the governor to open up to Phase 2.

Tim is using a course he designed for ACCO last year. The course was approved. Preregister and prepaid are required. Afternoon NFT's will be allowed. We will keep track of people onsite and ask attendees to include their non-racing guests in the registration form. Tim will add the changes to the registration form. Lorin reported the lodge bathroom will not be open. Bert ordered porta potties and reported that hand wash stations may not be available. They will bring them if they have them. The hot dog cart Lady would like to be there and we all agreed. Peggy will send out a club email with links to registration and all information for the event once we know its on for good.

Adobe Software

Tim Steck presented the club for permission to purchase new Adobe Suite software. The version he has been using is really old and lacking in features. The purchase was approved.

Club Trailer Parking

The trailers are still at EMS, but have been moved and parked one in front of the other.
