

## EESCC Meeting Minutes

August 4<sup>th</sup>, 2021  
Sizzler

---

**Attendees:** 11: Bert Jacobson, Bonnie and Jim Mueller, Tim and Peggy Steck, Licia and Jerry Shultz, Mike and Gail Glass, Jerry Braunberger and Dawayne Kerbs.

President, Bert Jacobson called the meeting to order at 7:13 pm.

Secretary, Peggy Steck read the July 2021 meeting minutes. They were approved with one correction, the date of the roadside cleanup was September 5<sup>th</sup>, not the 15<sup>th</sup>.

Treasurer, Jim Mueller presented the Treasurer's report and it was approved as read.

### Old Business

**501(c)(3) Update – Licia** - The August meeting will be on the 18<sup>th</sup>, 6:30pm at Bert's Shop. \$550 was raised from the raffle at Event 5 & 6. Paula Loftin was the winner. Lynnette Bassaw(?) donated \$50 to EEMSP as her son had so much fun racing at Hoodoo. Dana donated \$50. A meeting with the head of Linn County Parks is scheduled later this month.

**Event 5 & 6 Recap – Everyone** – We used a course from 2013 and with a few modifications, it turned out really well. It was fun for all kinds of cars, small, big, high power, low power, etc. It was a great event. Next year a lot cleaning party needs to be scheduled for a weekend shortly before the event to get it blown off. Its too much for two people to do. The pavement is also getting pretty bad in places. We pulled lots of rocks out of the blacktop.

**Venue update** – Lorin forwarded an email to Bert he received from Bill Dresser, (the manager at Willamette Pass) as he was not able to be at the meeting. Bill was happy with our event at WP. Quote, "My overall review of your EESCC event is "Well Orchestrated, and hats off to you and all of your helpers"! It was of great pleasure to work with your and event members! Thank you for keeping your family filled event thriving especially during our trying times! Yes, I am looking forward to next years event, following our bountiful winter ski season" Lorin proposed June 4<sup>th</sup> & 5<sup>th</sup> and July 30<sup>th</sup> and 31<sup>st</sup> for next year at Hoodoo and WP. These dates are fine and we'll discuss further at the September meeting. A discussion of Hoodoo versus WP ensued. A lot of folks really like WP, we have great courses there. There are no mosquitoes in late July. The pavement is a concern. Hoodoo is also a better lot for racing as the pavement is in better condition, lots more camping space for RV's. We either get eaten up by mosquitoes or freeze, maybe even some snow.

## **New Business:**

**Event 7 & 8 and IROC Planning – Bert/everyone** – Tim and Peggy will pick out another used course from the past. Last years course was suggested as it was fun and flowed well. We decided that grin should be on the river side and registration can be by the cross fit lot on the east side. Trailers will be towed by the usual people. Not sure if the lot needs to be swept, Peggy said she will check it out.

## **Additional Agenda Items:**

**Bonnie** – The August roadside cleanup date needs to be changed again. We agreed on changing it to September 19<sup>th</sup>, since the 5<sup>th</sup> is Labor day weekend.

**IROC** – Licia will manage the IROC again this year.

Thomas Bennett has Covid and is really sick and may not survive.

Suggested we give out the EEMSP event Raffle certificates at the Year End banquet. We can also raffle off the one from event 3 & 4 that we did not do. We all agreed that was a good idea.

**Tim** - Asked for Banquet info for prices, dates, etc. as he needs to get started on its registration link on the website.

**Peggy** – We are now scheduled at Sizzler for the first Wednesday of each month.

**Newsletter release**- Event 5 & 6 results and the flyer for Event 7 & 8 have already been sent out.

## **Homework Assignments**

News Articles will be written by the following individuals and are submitted to Peggy Steck no later than the first Friday following the monthly meeting.

**August** – Jerry

**September** – Bill Randleman

**October** – Mike Glass

The meeting was adjourned at 8:20 pm.

Jerry B won the \$1 drawing
