Old Business

501(c)(3) Update – Licia was not present, so no update. The next EEMSP meeting is January 19th.

Larison/NHA – Mike Glass – *(Should have been under old business on the agenda)* The Larison dates are set for July 3rd and 4th. The next NHA meeting is January 14th. It will be an informational meeting only, no rule changes or voting. NHA is proposing to provide the timing equipment and software for all hill climbs, using Farm Tec software. Tim will talk with Ryan Davis to get more info.

NHA also has a new website and a public Facebook page.

EESCC proposed Event Dates – Lorin Wamsley - Bert requested that we move the June date to June 5th and 6th. The previous suggested dates of the 12th and 13th coincide with another event that he is attending. We all ok'd the date change.

The Ice Breaker Sunday date may have a conflict with the Pac-12 WBB tournament finals.

Interested parties will just make sure to leave in time for the 6pm game.

Venues – Lorin Wamsley - VRC is all ok. The registration area is being used as a drive through covid testing site, so we will have to move registration. Also, VRC will charge the same price for two days or one day.

Douglas county Fairgrounds - We will be able to secure our dates after February 1st.

Willamette Pass – No response from them to calls or emails. We will just reschedule to Hoodoo if WP is not available.

Hoodoo – Should be fine, our dates do not coincide with ACCO. Also not able to make contact at this time.

Sweet Home site – They are not interested in having us at their site, paying or not.

Sponsors – Lorin Wamsley –All but two from last year have agreed to sponsor 2021. They are AlSCO and Western Testing. They may come on board again in the future. We have one new sponsor, N Touch Detailing. N Touch Detailing holds a car show at their business site in August and the owner said we could put up our EEMSP booth.

New Business:

Schedule Trailer Cleanup/work session – We will wait to schedule this as late as possible due to Covid.

Newsletter release- Jim Mueller will create a newsletter just to let people know what is going on.

Additional Agenda Items:

Highway cleanup dates – Bonnie Mueller – the dates were set for this year’s roadside cleanup dates. They are #1; April 10th. #2; August 14th and #3; November 20th. Always subject to change.

Cone Killer – Bert reminded Tim to figure out who won the Cone Killer award for 2020.

IceBreaker – Bonnie brought up that this is the 55th year for Ice Breaker. Do we want to do T-shirts? T-shirts were approved.
