

## **EESCC BLIND AUTOCROSS**

**A charity event for Guide Dogs for the Blind**

**When: Sunday April 3, 2022**

**Time: Check-in at 9 am please, runs begin at 9:30 am**

**Where: the old Bald Knob Mill Site on S. Mill St, Creswell, OR**

**Cost: \$20 per driver Pre-register online [www.eescc.org](http://www.eescc.org)**

**We set up a fairly simple autocross course. You (the driver) will be blindfolded (wearing a helmet also) and your Navigator will guide you as you drive the course as quickly as possible.**

**The speeds are Very Low – believe me – as it is more difficult than it seems....maybe it was my navigators fault 😊**

**No race car needed! Best vehicle might be your street car!**

**Your navigator can drive too- you guide them – see who does it better. (Separate registrations for each driver required)**
