Old Business

501(c)(3) Update – Licia – Two sub committees met, one was the website committee and they should be getting a look at the new website at the March meeting. The other Sub Committee met with Brian ?, the director of Linn county Parks and Rec and all news is good. The March meeting will be on 3/9 at 6:30 pm at Jamie black's house.

Proposed 2022 Event dates and Venues– Lorin – No Changes. HooDoo is out for now.

Lorin – 2022 Sponsors – Pretty Much done. Only one needs to pay balance due. iTint is now Minty.

Operations Manual – Bert subbing for Bonnie –The Next meeting will be the March 16th at 6pm at Jim and Bonnie's house.

Timing School – Bert - The school lasted 5 hours. 10 or 11 people attended. John is going to start helping at Registration. Very good information.

Ice Breaker Pre-planning – Bert and Hope – Bert will pick a previous course. He will get trailers to his house, wash and organize and maybe paint insides (probably not). Potties are ordered for the whole year from Bucks. Decided not to Sweep, the pavement is in too bad shape. No need for mask mandates as outdoor mandates end on the 12th. Mueller's will bring Timing Trailer.

Evolution School – Bert – (Paula did not attend) Good Interest in the Evo school, at least 30 people responded they were interested. 30 is the cap for the school. The BCA club is canceling a weekend that Paula hopes to get. She is trying to find people to setup and put on the event

without participating in the school. Everything needed for an event needs to be hauled up there and managed. Still up in the air at this point.

Later, she announced she was able to secure the Sanderson site.

New Business:

Blind Autocross planning – John, Bert – Secured Bald Knob on April 3rd. All proceeds donated to Guide Dogs for Oregon.

No event planning, just reminiscing. Potties, trailers, course???

Additional Agenda Items:

Bert – He will not be at Willamette Pass

Newsletter release – Guess it will be a week or so after Ice Breaker.
