Old Business

501(c)(3) Update – Licia – the January meeting was canceled due to weather.

The next meeting is February 21st, 6:30 pm at Jamie’s house. We will be discussing ways to approach back burner issues.

2024 Proposed Event dates – Lorin W – All VRC events are confirmed; Ice Breaker, 1 & 2 and 7 & 8. Hoodoo confirmed for events 3 & 4, however our choice for events 5 & 6 is not available. We had a choice of July 13th and 14th, or Aug 3rd and 4th. We chose Aug 3rd and 4th.

Not confirmed; Blind Autocross and yearend banquet.

The Sheppard lot is too small for any event and it has light poles. Bonnie is going to ask John Schmidt to enquire about the Creswell lot for the blind autocross.

Sponsors – Lorin W – Pretty much set, about ¾ have paid.

Coat donations update – Bonnie took her donations to the Family resource center and Bert donated his to Cahoots and they came and picked them up. Altogether, it was a large number of coats and sweatshirts for men and women.

Evo School – Paula – There have been quite a few survey responses. Paula can send off the signed contract. She has not heard back from there Boeing club regarding using their timing equipment. She reports there will again be no trouble filling the spots. She is going to try to get a list of last year’s entrants so she can contact them to be able to register before it opens to the public.

She also announced the she has come to the realization that she cannot have two race cars, so sadly, she is selling the Mustang.

Ice Breaker setup – Bonnie asked if we can do last years course. Yes! Saturday from 10am to noon will be pre tech and check in. Course setup will also be during this time. Peggy to print out 50 certificates. Bonnie has to get supplies ordered.

Larison Hillclimb – Set for June 29th and 30th. The first planning meeting will be next month after the club meeting. There will be lots of club cleanup after the storm. Cascade Lakes is canceled for this year.

Insurance – Insurance will be a last-minute thing. It starts March 1st and covers our events. She will give them our event dates. Regarding the Evo school, it covers the lot and EESCC, but not the school.

Also last year the insurance company said we had to use their release forms, but never sent any. Bonnie had made a copy of the from online and printed them out. Supposedly, they are sending them this year.

Trailer Work Party – scheduled for Saturday the 17th at 10am. We will do one trailer at a time as Berts shop is full of cars. Peggy will bring a Taco lunch for everyone. Bert will get beverages.

Additional Agenda Items:

Bonnie – We received really nice thank you's from our year end donations. Candlelighters send a nice card saying they were going to use the money we sent for the Easter egg hunt as it was Stevie Veatch's (Peggy and Tim's daughter) favorite event. Some pictures were also included of Stevie with the Easter Bunny and other kids. We also received one from Guide Dogs for the Blind and Food for Lane County who commented they really count on our donations to them.

Need to schedule the roadside cleanup dates. The blind autocross is tentatively set for April 14th.

Tim and Peggy will not be at the next meeting, Licia volunteered to cover for Peggy.
