One of the most sought after personal goals at the Larison Rock HillClimb, as well as several other NHA events is getting into the "Under 2" club. If you ever get the chance to run the timer, one of the most fun times is watching a car that is just around the corner, and the clock is still under 120 seconds and seeing if then can beat the magic 120 seconds.

The list of members, arranged by fastest times, with each member listed in their fastest class, shows that pure race cars, (formula cars and sports racers) have only the first 6 overall spots. Of course the Hill record holder, Dwight Gilliland, is at the top of the list, with the fastest lady on the list, Susan Hagaman, in the number 3 spot.

And last but definitely not least with the slowest time of the club, a 119.998 (BSP) for Bill Baugh.
