Old Business

501(c)(3) Update – Licia – Having the meeting here at Sizzler right after the club meeting is working well. Thank you for moving the EESCC meeting time up a half hour. The Garage sale went really well. We will do the Raffle of 8 events and a membership at Event 1 & 2 this weekend and there will be an additional raffle of a torque wrench donated by Dawayne Kerbs (?).

Evo School – Paula – not yet full, Paula is shocked and kind of disappointed. Many of the people who said they were interested in attending the school when the survey was sent out, then did not sign up. There are 20 people signed up for day 1 and 18 for day 2. Everything else is ready to go.

Event 1 & 2 planning – Bert brought the course maps. They look great, if a bit short. We’ll see what we can do to lengthen the course at Setup. Setup is at 5pm Friday. Bert will bring Reg trailer and Lorin W will pull the timing trailer. Bert will verify the potties.

Blind Autocross Recap– It was fun, we had 18 drivers and made \$680. Bonnie accepted donations and we did some fun runs without hoods for \$5 each run. Ashley Boedigheimer was the fastest driver with a time of 49.878, which included 4 cones.

Larison Hillclimb - Mike- NHA is still working on the insurance and it will not be K & K. Bonnie commented that there will not be road cleaning until insurance is verified. It does not make sense to clean the road and then find out the Hillclimb will not happen. Mary Hill was canceled because of no insurance.

Garage Sale – Bonnie – It was at Jamie’s house last Saturday, 4/27. \$1231 was made for EEMSP. Mueller’s and Shultz’s set it up and cleaned up Sunday, and the Comicias helped on Saturday. Some of the left-over items will be put up for sale online.

Additional Agenda Items:

Lorin W – Bruce said he went to Philomath and checked out both sites. He found the general managers name and Lorin got ahold of him. He was able to contact the mill owners of the empty mill lots in Philomath and they are not interested in us. Lorin asked if we could look at the lots and he said no, both mill sites are for sale.

Licia – She asked if we could create a magnetic symbol for novices to put on their cars so we can keep an eye out for them and offer assistance if needed.

Bert – He will fill all the gas cans up with clear gas.
