Insurance – Bonnie – not present, skipped

Rally Recap – Simon not present. Tims asked Simon about the results and he replied that there were only three cars.

Minders get together – Scott – He reported they had a smaller gathering and we all missed out on smoked turkey. Everyone who came enjoyed themselves and stuffed themselves.

Sponsors - Lorin – He and Mary got together and lined out things to do for 2025.

Additional Agenda Items:

Lorin – proposed 2025 event schedule – brought the spreadsheet with proposed dates for 2025. We all looked at it and will finalize later. The only dates that are finalized is the Evo school for May 17th and 18th.

Tim – proposed new class splits for events. He moved the X classes (XB and XA) to the 1st group and the split came out even using 2024.

Paula – she had something to suggest for next year. If there is another club that wants to take over the EVO school, she would be glad to hand it over to them. Our club does not care, Paula does all the work and the club is reimbursed for expenses. One person from the Bremerton club mentioned to her that they would like to be more involved and getting it more noticed. There is a day 3 challenge. The current site at Sanderson is not big enough to have more school participants or a third day. Maybe the Bremerton club would sponsor it at their site, which is bigger. Paula has the dates confirmed from Sanderson and they are the only dates reserved for the school. May 17th and 18th.

Scott M said he would like to help.

Mike glass – Hillclimb updates. Freezeout is canceled. They tried to schedule it for October and it didn't work. In the near future there will be a discussion regarding the upcoming yearly meeting agenda items.
