Business

501(c)(3) Update – Licia – no updates. Just the December Party, 5:30pm Saturday the 13th, potluck.

Banquet – Licia – All the feedback she received was good. The food was good and so were the desserts. There will be a banquet committee review in January. Their sound system was not so great, so next year if we use the same location, we will bring our own. There were a few no shows.

Venues – Lorin – VRC is not getting back to him right now.

Sweet Home site – Lorin got a quote of \$1000 for sweeping. We need to get a good luck at the pavement under all the debris and dirt to see if it's workable. It was suggested to do a member only event to try to test and figure out the pavement. We all agreed that was a good idea. Maybe have the blind autocross there. It's approximately 5.5 acres of pavement, some is not usable.

Glide Site – Tim went and checked it out Wednesday. The pavement is great. Lots of room. There are some cement barriers on the pavement. Lorin said there were moved there, as they were not on the pavement when he checked out the site. Tim figured out trailer placement.

2026 Event dates – No updates, no price changes. Icebreaker through 5 & 6 are set. Changes can be made later for later events.

Hill Climbs – Mike Glass The NHA meeting is Dec 14th, 1pm. Onsite at the Black Bear Diner in Vancouver and also remote. Bible Creek is back on the schedule; the road is back. Looking for a chair person for a Hillclimb on the road on the other side of Bible Creek. Freeze out is back on and a new Idaho Hillclimb is also in the works.

Christmas cards – we all signed cards for sponsors.

Additional Agenda Items:

Bonnie – She asked who brought coats so she could collect them. Bert's Daughter also collected coats at her work and her boss donated money to purchase more coats.

All donations have been sent out except for the Oakridge fire department.

Roadside cleanup Recap – We had 8 people, just enough. Picked up 28 bags of garbage. Enjoyed pizza afterwards.

Mary Richardson – Sponsor updates – We lost AlSCO and Scott Minder. We gained Tim Boedigheimer. Two are not nailed down and Joe Ellis construction is also unsure.

Newsletter – Not right now

The meeting was adjourned at 7:41pm.
