### Business

**501(c)(3) Update** –Licia – She talked about some connections she made at Event 5 & 6. She met the owners of the lot and Dane the cheesy food truck guy has a lot of connections with other car and racing groups. The raffle made \$285, will do it again at Event 7 & 8. Keith Olson won. Need to talk about the Glide property.

**Venues -Lorin** nothing to report. Bert was asked about a lot in Albany. Lorin said it was already checked out and is not usable.

**Event 5 & 6 recap – Bert** – Lorin had checked with Glide to make sure it was still available. We did end up moving the event to Glide. HooDoo was not going to work with fires in the area. Bonnie designed the course. We had 71 people on Saturday and 70 on Sunday. The Cheesy guy was the food truck for the weekend. The courses were a bit short, but we got 6 runs both days and people liked the courses. A lot of folks stayed to help pickup and it went really smooth and fast. Bill R asked if we could get a 30-inch bar magnetic on some kind of rolling frame to pick up small bits of metal on the course.

**Event 7 & 8 and IROC planning – Bert** – Bert may not be at setup on Friday, so we will have to manage without him. Jamie will pull the registration trailer; Mary will pull the timing trailer. Tim will pick out the courses. Jim and Bonnie will miss the entire weekend. Peggy will handle registration; Ivy will help too. Bonnie got others to take over various other duties for the weekend. Licia will run IROC and John Schmidt will do the timing. David mills will not be able to do the in-car videos, Mary Richardson volunteered to manage those.

**Hill Climbs – Mike G** – Trying to get Larison scheduled for October 10<sup>th</sup>. Maryhill may get reinstated.

**Trailer Insurance – Bert** – no info tonight.

### **Additional Agenda Items:**

Bonnie - compared event numbers from this year to 2025 and 2024. In 2024, we averaged 71 people per event. In 2025 we averaged 73.1 people per event and this year we have so far averaged 78.1 people per event. So, the club is doing pretty good for attendance this year.

The club donated funds from the Glide events to the Glide revitalization organization instead of food for Lane County. Keeping the donations local to the event location.

Tim – Talked to Chris Fudge regarding his making an EESCC calendar. The cost would be \$12 each. We are not sure the club wants to purchase them at that price. Discussed options.

The meeting was adjourned at 7:48 pm.
