Business

501(c)(3) Update – Licia – At the last meeting, some of the board members spoke their intentions to continue on the board with the same positions. We had a nice party at Jamie's. We are still getting money quarterly from Costco employee non-profit matching. Will continue the meetings, even though not much is going on.

Venues – Lorin – VRC's sale deal fell through, so we are good for all of 2026. They have all our dates and the contract is being written up.

Sweet Home site – A lot of cleaning has been done on site. Some trees have been removed. The drifters have held an event there. Jim and Bonnie drove up yesterday to check it out. They drove on the area we might use. They thought the area was about 400 by 700 or less. It has had an initial sweep. Lorin is waiting on a bid from a clean up company. It was brought up that the foundation can help with fixing and patching pavement, that is what its for.

Glide Site – They are good with our dates and the owner is getting insurance info ready for us.

2026 Event dates – Lorin would like a date set for the blind autocross and an event on Sunday so he can confirm them with Sweet Home. We agreed on April 18 & 19 with a member only event on Sunday. Tim will post on the website as “**unconfirmed**” until confirmed.

Sponsor update – Mary R – FTW confirmed for 2026. Still not sure about Joe Ellis. We have 17 sponsors for 2026.

Hill Climbs – Mike G – not much info in January. He may be able to get a sweeper for Sweet Home for free. These people had offered to do Larison, but it did not work out. Working for Insurance coverage for a number of Hillclimb events. The schedule is incomplete, but some dates on the NHA web site. He is looking at getting sponsors to help with insurance costs.

Additional Agenda Items:

Tim asked if prices are staying the same. This is the year for Ice breaker T-shirts, so we are raising the price by \$5 for this year.

Bonnie – This year is the 60th anniversary. We will give out T-shirts at Ice Breaker for all drivers and later give out the 60th anniversary t-shirts for members only.

Asked to set the first roadside cleanup date, we came up with April 11th.

Insurance, everything is handled with Stark. The Medford club is getting a quote from K & K with a different broker. Bonnie is waiting for more info.

Bert – He got the bad speaker to Jeremy. He has not heard back yet.

He asked about cleaning up trailers. He and Dawayne will pack the trailer bearings.

We scheduled February 28th, 10am, for a trailer cleaning party. We'll clean inside and out. Peggy will bring food.

He is retiring at the end of January. He will talk to Lorin about sponsorship.

What time for Saturday Ice Breaker pre tech and setup. We decided on 11am. Saturday the 7th. We'll give out free NFT certificates again.

Keith – He brought up at the last meeting we did not announce the election results. We all replied that they were announced at the banquet after voting was completed. I went over the results. He also said the web site has not been changed. Tim will do that.

Paula – Evo school – she has been in touch with Mike Johnson that we have the school scheduled. She asked if we could to the challenge school this year. Several people have taken the school more than once and would like the more advanced training. She asked Tim when the questioner goes out and he replied when she wants. I will look and see when it went out last year. The survey was sent out Feb 4th.
