

## EESCC Meeting Minutes

July 1<sup>st</sup>, 2026  
Sizzler

---

**Attendees: 20** – Mike and Gail Glass, Bonnie and Jim Mueller, Tim and Peggy Steck, Bert Jacobson, Bren and Lorin Wamsley, Keith Olson, Dawayne Kerbs, John Schmidt, Paula Loftin, Caleb Tucker and Guest, Mary Richardson, Licia and Jerry Shultz, Jamie Black and Larry Miller.

President, Bert Jacobson, called the meeting to order at 6:31 pm.

**Meeting Minutes** – Secretary, Peggy Steck read the June 3, 2026 meeting minutes. They were approved with one correction.

**Treasurers Report** – Jim Mueller read the treasurers report and it was approved.

### Business

**501(c)(3) Update** –Licia - The raffle was done at Event 3 & 4, Ben Sloan was the winner. \$380 dollars was made. We will do it again at Event 5 & 6. Bonnie sold a dash item left over from the garage sale for \$300.

**Venues -Lorin** – All good. Hoodoo is waiting for us baring any fire camps. Glide is available as a backup just in case. 7 & 8 is still scheduled for VRC.

**Event 3 & 4 recap – Bert** – Hot, hot, hot! Over 100 degrees on Sunday. The courses were fun. They appeared complicated, but once you drove them, they were great and flowed well. Saturday afternoon, Dawayne handed Tim a course for Sunday. They made a few modifications (standard stuff) and put it down on the pavement. Sunday afternoon only had 15 (?) drivers, so Bert asked for volunteers and we ran one group. Many of these drivers left right after the group ran. Next time, we will tell them that they are required to stay and help pack up the entire event as their work assignment.

The lot was really cleaned up. All the heavy equipment, junk and trucks were moved. There was a lot more clear space. The grass area was plowed. Keith and Bonnie blew the lot off with the billy goat. They filled the porta pottie with dust.

Paula asked if we could make more concessions to help course workers with managing the heat.

**Event 5 & 6 pre planning – Bert** – We'll use a previous course, with some changes. Bert will bring a course map to the next meeting. Setup is aiming for 1pm on Friday. Keith will pull the reg trailer using Bert's pickup. One of the Mueller's will pull the timing trailer. Potties are confirmed. No food vendor is available.

**Hill Climbs – Mike G** - Larison was canceled due to piles of logs and debris on the side of the road from the cleaning. The forest service is willing to let us have a date in September or October if it works out. Bible creek registration will open soon. Freezeout is planned, but still being organized.

Mike asked bonnie about hills in Montana. He had a person asked him if there were any. Bonnie mentioned quite a few, but almost all were old.

**Updates to names and emails – Peggy** – I have received Bonnie list and Tim has sorted thing out into spreadsheets. There are almost 400 entries that Bonnie has that are not in Vertical Response. Many are old

members or drivers from a long time ago. I questioned adding all the old entries into the current mailing list. Got pushback. I will work on this with Bonnie outside of the meetings.

**Letter of Intent for Sponsors – Tim** – He brought up having potential sponsors sign a letter of intent, to prevent what happened this year, where we lost several sponsors through nonpayment, dropping out, etc. Mary R and others came up with other suggestions instead of the letter. We decided that the wording on the contract would be changed to that if payment or deposit is not received by January 31<sup>st</sup>, then the sponsor would not be added to any published material for that year.

**Trailer Insurance – Bert** – he did not follow up with his insurance agent.

**Additional Agenda Items:**

Bonnie – She asked if we can re-organize the run groups, even though its mid-season. They are really uneven and we don't want to have such small groups for one half of the day. Tim will figure it out and send to Bonnie for approval.

Licia – she asked about the IROC car. Are we renting one from Brad again. Bonnie will ask him if he has anything available.

Bert – Chris Fudge wants to do the calendar. He said he really liked it and he has been taking pictures for one for 2027. Tim replied he would be glad to give him any assistance needed.

We had a new person in attendance, Larry Miller. He used to race SCCA back in the 60's, did some professional driving, did some autocross and is interested in trying it again.

Jamie – she asked who all were the folks who used their own fire extinguishers to help put out the fire on their car. One club one was used and Bert mentioned the personal ones. She is going to get them replaced or refilled.

The meeting was adjourned at 7:57pm.
