Business

501(c)(3) Update – Licia – Nothing going on, talked about having another garage sale. Jamie said it was fine to have at her house. John Schmidt reported he made some updates on the foundation website. He updated graphics, pictures and content.

Venues – Lorin – Sweet Home – He talked to JD. The drifters have leased the entire east side and have placed concrete barriers on the lot. The barriers would have to be moved and they will move the barriers at a cost of \$1500. The lot is too small for a regular autocross and the cost is too prohibitive for us to have the blind autocross there. So, we will have to come up with something else for the blind autocross. After some discussion, we decided not to hold the blind autocross this year as the Creswell lot is full and it's late to try to secure it. We may try for October.

Glide Site – Lorin Plan to go down to Glide and plan for placement of racing, parking and camping to be ready for the event. All of us are welcome to meet him there. He will let us know when.

We have confirmation from HooDoo for event 5 & 6.

Sponsor update – Mary R – Tony Fudge contacted her and asked for a flyer to give to his supervisor. They may become a sponsor.

Ice breaker planning – Bert – He brought a course to preview. He will bring the trailers. Pre tech and check in is 11am to 1pm Saturday.

Hill Climbs – Mike G – No big changes. Most of the schedules are posted on the NHA site. A new event is in the process. It's in Dexter on Eagles Rest Road and is scheduled for the third week in August. The plan is for it to be sponsored by NHA and any profits will go toward insurance for other hillclimbs. WMC has an event at HooDoo on that weekend.

Evo School – Paula was not present.

Trailer's Insurance – Bonnie is still struggling. Anyone want to take it over?

Noise Limit – Bonnie has the sound meter at her house. A replacement one that does what we want is expensive.

Trailer Cleanup – 7 People showed up and we emptied, cleaned and organized the trailers. Had a nice lunch of chicken Fajita's.

Additional Agenda Items:

Bonnie – She asked Tim to change how her registration forms print and he will fix it.

Add Mary R to the Facebook page as an admin and remove Bren.

Bert – He is going to keep the trailers at his house; he has room and its much easier for him to work on them and tow them. He will not have to keep going to get them from EMS. He asked Lorin (?) to contact EMS and let them know and say thank you.

He heard back from Jeremy and the broken speaker is not fixable. We still have one working speaker. He will look for a replacement.

Jamie B – She was asked for volunteers to climb a ladder and hang quilts for an organization. The group offered to make a lap quilt for the volunteer.

John S and Mary – again enquiring about moving registration to Motorsports reg. Lots of discussion, we need more flexibility than it provides, but could be worked out. It was recommended to have only the involved persons have a meeting and make a decision.

Lorin W – He brought up the junction City swap meet held at the Function for the Junction auto festival they hold every year. If anyone is interested.

The meeting was adjourned at 7:59pm.
