

## EESCC Meeting Minutes

May 6<sup>th</sup>, 2026  
Sizzler

---

**Attendees: 20** – Mike and Gail Glass, Bonnie and Jim Mueller, Tim and Peggy Steck, Bert Jacobson, Bren and Lorin Wamsley, Licia and Jerry Shultz, Keith Olson, Mary Richardson, John Schmidt, Jamie Black, Paula Loftin, Dan Mullen, Spencer Johnson, Caleb Tucker and Caiden Pearch

President, Bert Jacobson, called the meeting to order at 6:32 pm.

**Meeting Minutes** – Secretary, Peggy Steck read the April 1st, 2026 meeting minutes. They were approved with one correction.

**Treasurers Report** – Jim Mueller read the treasurers report and it was approved.

### Business

**501(c)(3) Update** – Licia – The garage sale was successful. They made almost \$1000 in one day. Lots of good donations. There are some items to sell on eBay. Lorin took all the leftovers to goodwill. The event raffle was not held at Event 1 & 2 as Licia was disabled for the weekend. We will do the Raffle at Event 3 & 4.

**Venues** -Lorin - Hoodoo has raised their price to \$500 a day. Jim commented that it was fine as they forget to invoice us.

The glide owners were impressed with our event. There was one issue, some kids were climbing on the heavy equipment. We will have to make announcements to parents to supervise their children.

Bert asked if we could run Event 7 & 8 at glide if its available. Lots of discussion. We don't want to lose VRC, even though we all complain about the pavement and lot issues. But we do get a lot of exposure. Lorin will check if its available and we will discuss further.

**Event 1 & 2 Recap** – Bonnie drew the courses and they were fun. She said it was strange to figure out a course on a new lot with an odd shape. The asphalt was great, there were some areas of damage to it, but we worked around them. Overlap was a struggle, but we'll get it figured out. There were 85 drivers on Saturday and 75 on Sunday. Lots of people ran NFT's.

Jim commented that we need to extend the area with caution tape to limit where spectators can go.

**Sponsor update** – Mary R – Lorin helped Mary contact the sponsors who have not paid. One of the event 1 & 2 sponsors, were one of the ones who have not paid.

**Event 3 & 4 pre planning – Bert** – Tim will design the course. We need to blow areas before campers arrive. The Mueller's will pull the timing trailer. Bert rearranged the timing trailer to reduce the tongue weight. Bert will order potties.

**Hill Climbs** – Mike G – Registration is open this Friday. There have been a couple of meetings (Larison meetings?). Cope Myers Hillclimb is officially canceled due to insurance issues. Eagles Rest Hillclimb may have to postponed a few weeks due to fire restrictions.

**Evo School** – Paula – she reported that things are not going well. She got an email from Mike and he does not have enough instructors for our weekend and is not sure he can find any more. The event is full, both days. Canceling this late is really inconvenient for everyone. The issue is our weekend at Sanderson is really close to Nationals and the instructors don't want to be committed to a weekend so close to Nationals. We probably cannot change our Sanderson weekend. Paula asked if we thought the EVO school could be held at Glide. She already sent the course map to Mike. Shelved for now.

**Insurance** – Bonnie – all good for this year. We may change next year.

**Additional Agenda Items:**

**Mary** – She commented that Facebook and MSR are important to getting new people to our club. She asked for permission to boost posts. It was approved. MSR is a next year thing.

**Bonnie** – she reported that Chris Fudge took pictures of as many drivers and their cars as he could. WE could use them on trophies or something.

The meeting was adjourned at 8:05pm.
